KEYS has tripled ELA proficiency from 2017 to 2022, and increased Math from 0 to 2%. KEYS has also seen a 37% increase from the last index score in 2018-19.

As a primarily ESL program, KEYS demonstrated 58.5% growth from WIDA takers in one or more focus areas for the last two consecutive years. These growth measurements have been on pace or at greater pace than statewide results (using 2020-2021 data). The school made these gains while we continuing to service a 99.5% low income, 82% ELL, 51% poverty school population.
