

ADDITIONAL TRANSPARENCY INFORMATION

State law regarding charter contracts (MCL 380.503) requires the public school academy Board of Directors to “collect, maintain, and make available to the public and the authorizing body” certain operational and management information regarding the public school academy.

Much of this information is provided on the school’s Budget Transparency Page and Board Page of the school website. Other transparency documentation is available via Freedom of Information Act (FOIA) request per the school’s Freedom of Information Procedures, Guidelines, and Written Public Summary.

- Information available by request includes:
- Current list of teachers and administrators with salaries as submitted to the Registry of Educational Personnel
- Copies of current teachers’ and administrators’ certificates or permits
- Evidence of compliance with criminal background checks and unprofessional conduct checks
- Curriculum materials provided to the authorizer
- Proofs of insurance
- Lease agreements and deeds
- Certificate of occupancy
- Health and safety reports and certificates
- Historical budgets (and amendments), and quarterly financials and invoices exceeding \$10,000
